

Mechanical Plans Reviewer

Sheladia Associates, Inc. is actively seeking a Maryland Professional Licensed Engineer specializing in Mechanical Engineering for immediate employment in our Prince George's County office. The Qualified candidate will have experience on a variety of commercial building types and scales to enable him or her to perform Third Party permit plan reviews. This position does not entail design or drafting tasks but is limited to reviewing the work of other design firms for compliance with national and county code requirements.

Sheladia is the only Third Party Review team certified by Prince George's County Department of Permitting, Inspections and Enforcement (DPIE) and as such reviews most large projects applying for permit in the County. Projects include MGM Casino the new Regional Medical Center, Hotel, transit oriented developments on the Purple Line and multi-family developments across the County. Our team of reviewers include architects, structural engineers, electrical engineers and fire protection engineers. We offer the opportunity to join this collaborative group and further the mission of development growth in Prince Georges' County.

The minimum requirement for this position is:

- Bachelors degree in Mechanical Engineering or relevant field
- Minimum 5+ years of experience
- Professional Engineer (PE) licensed in the state of Maryland
- Knowledgeable of current building Mechanical Codes and regulations
- Proficient in Excel
- Experience in Commercial building and development

DUE TO THE NATURE OF WORK, CANDIDATES MUST BE A US CITIZEN OR A PERMANENT RESIDENT
