

Project Manager - Rwanda

SHELADIA Associates is a multi-disciplinary international professional consulting firm with demonstrated experience in the successful management and implementation of development projects throughout the world. SHELADIA believes that practicality and sustainability in development projects requires flexible resource management, active participation of all stakeholders, and a shared goal of strengthening institutions and operational systems, to optimize the use of available resources.

We are looking for a senior Architect or Engineer who has been a Project Manager on an East African project for Vertical Construction - Embassies, hospitals, or even commercial. Ideal candidate would have 20+ years of experience, professional registration, be located around the DC region and have had work experience with one or more of the following agencies – The World Bank, Department of State, OBO, USAID (Vertical projects), etc.

Candidate should be fluent in English; and have regional experience in East Africa, Burundi, Tanzania, Kenya, Uganda, Rwanda, Djibouti, Eritrea, and Ethiopia.

Education:

- Engineering or Architecture

Preferred:

- Masters
- Construction Management Certification
- Project Management Certification

Sheladia Associates, Inc. offers a competitive salary along with an excellent benefits package.

How to Apply: Applications should include a CV and cover letter. Successful candidates must be authorized to work in the US without sponsorship. This position is open until filled. Please send CVs to jobs@sheladia.com -- include " Project Manager - Rwanda" in the subject line.

Unfortunately, due to the large number of applications that we receive, we may not be able to respond to each individual candidate. Please respect our no phone calls policy.
