

News Release: Sheladia's President and CEO elected as a Board Member of FIDIC

[Manish Kothari](#), Sheladia President and CEO, participated on the Global Infrastructure Conference in Geneva on 11-13 September 2022 and was one of two candidates elected as a Board Member of FIDIC for a four-year term out international candidates.

Members of the FIDIC Board represent this worldwide association of engineering firms by carrying out the resolutions of the general assembly, formulating and modifying by-laws, appointing members of FIDIC standing committees and task forces, approving their terms of reference and monitoring their activities.
